## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Collington Episcopal Life Care Community, Inc.  
Mitchellville, Maryland

### **Report on the Audit of the Consolidated Financial Statements**

#### ***Opinion***

We have audited the accompanying consolidated financial statements of Collington Episcopal Life Care Community, Inc. (a Maryland corporation), which comprise the consolidated statements of financial position as of December 31, 2024 and 2023, and the related consolidated statements of operations and changes in net assets (deficiency), and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Collington Episcopal Life Care Community, Inc. as of December 31, 2024 and 2023, and the results of their operations, changes in their net assets, and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Collington Episcopal Life Care Community, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Collington Episcopal Life Care Community, Inc.'s ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

***Auditors' Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Collington Episcopal Life Care Community, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Collington Episcopal Life Care Community, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position, operations and changes in net assets (deficiency), and cash flows are presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

**COLLINGTON EPISCOPAL LIFE CARE COMMUNITY, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization**

Collington Episcopal Life Care Community, Inc. (CELCC) was incorporated as a nonprofit corporation on March 30, 1982, under the laws of the state of Maryland to develop, construct, and operate a continuing care retirement community in Prince George's County, Maryland. CELCC received its certification from the Maryland Department of Aging to provide services according to the provisions of its Residence and Care Agreement on November 14, 1988, and renews this certificate annually.

On April 24, 2023, CELCC notified the Maryland Office of Health Care Quality of intent to delicense all 44 of its comprehensive care facility (CCF) beds. On June 7, 2023, CELCC received authorization from the Maryland Health Care Commission (the Commission) for temporary delicensure of the 44 CCF beds for a period of one year. During the one-year temporary delicensure period, CELCC had the option to apply to relicense the CCF beds, or transfer ownership. On May 1, 2024, CELCC notified the Commission of their decision to relinquish the 44 CCF beds.

On April 19, 2023, Collington received approval from the Maryland Department of Health Assisted Living division to add 12 additional beds to its Assisted Living license, for a total of 77 beds.

Collington Foundation, Inc. (CF) was incorporated as a nonprofit corporation on July 31, 1996, under the laws of the state of Maryland to provide and inspire philanthropic support for CELCC. In addition, the vision is to harness our generosity of spirit to nurture the goals and aspirations of all who live, work and serve in the community. CELCC is the sole member of CF.

**Principles of Consolidation**

The accompanying consolidated financial statements include the accounts of CELCC and CF (collectively, the Organization). All significant intercompany transactions have been eliminated in consolidation.

**Use of Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Organization considers all liquid investments with original maturities when purchased of six months or less to be cash equivalents. As of December 31, 2024 and 2023, cash equivalents consisted primarily of checking and savings accounts.

**DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Accounts Receivable and Allowance for Credit Losses**

Accounts receivable are reported net of an allowance for credit losses to represent the Organization's estimate of expected losses at the balance sheet date. The adequacy of the Organization's allowance for credit losses is reviewed on an ongoing basis, using historical payment trends, write-off experience, analyses of receivable portfolios by payor source and aging of receivables, a review of specific accounts, as well as expected future economic conditions and market trends, and adjustments are made to the allowance as necessary.

Residents are not required to provide collateral for services rendered. Payment for services is expected within 30 days of receipt of invoice or claim submitted. Accounts past due more than 90 days are individually analyzed for collectability and the collection process is initiated. When all collection efforts have been exhausted, the accounts are written off against the related allowance.

Management believes the composition of receivables at year-end is consistent with historical conditions as credit terms and practices and the customer base has not changed significantly. At December 31, 2024 and 2023, the allowance for credit losses was \$143,131 and \$138,512, respectively.

Changes in the allowance for credit losses for the years ended December 31, 2024 and 2023 were as follows:

|                            | 2024              | 2023              |

| Amounts Written Off        | (58,131)          | (132,462)         |
| Recoveries                 | 6,018             | -                 |
| Balance, End of Year       | <u>\$ 143,131</u> | <u>\$ 138,512</u> |

**Accounts Receivable – Partial Closing**

Accounts Receivable – Partial Closing represents a portion of the entrance fees that are deferred for up to one year, in 30-day increments, after a resident signs the promissory note for the partial closing. The receivables are expected to be collected during the immediate subsequent fiscal year and are included in current assets as of December 31, 2024 and 2023. Management determined that no allowance is necessary on the Accounts Receivable – Partial Closing as of December 31, 2024 and 2023.

**Investments**

Investments are comprised primarily of mutual funds, equity securities, and debt securities and are measured at fair value in the statements of financial position. Fair values are based on quoted market prices, if available, or estimated using quoted market prices for similar securities. Investment income, including interest and dividends, declines in market value deemed to be other than temporary and earnings on investments, are reported as investment income and realized gains and included in the income from operations. The cost of substantially all securities sold is based on the specific identification method. The unrealized gains and losses are included in the performance indicator.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investments (Continued)**

Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with certain investments, it is reasonably possible that changes in the value of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position.

**Concentration of Credit Risk**

The Organization maintains its cash accounts at commercial banks. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. At times, cash in the bank may exceed FDIC insurance limits. The funds on deposit with brokerage accounts are insured by the SIPC up to \$500,000.

**Property and Equipment**

Property and equipment are stated at cost at the date of purchase or at fair value at the date of donation. It is the policy of the Organization to capitalize long-lived assets with a cost basis of \$2,000 individually or in the aggregate. Depreciation is provided on assets using the straight-line method over the estimated useful lives of the assets. Estimated lives are determined using American Hospital Association guidelines. Useful lives range from 5 to 40 years. Repairs and maintenance are expensed as incurred. Depreciation expense for the years ended December 31, 2024 and 2023 was \$6,023,252 and \$5,642,270, respectively.

The Organization records impairment losses on property and equipment when events and circumstances indicate that it is probable that the assets are impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amount of those assets. Based on management's estimation process, no impairment losses have been recorded as of December 31, 2024 and 2023.

**Deposits from Prospective Residents**

Deposits from prospective residents consist of entrance fee deposits. Entrance fee deposits are received from prospective residents who intend to move into the Organization. Entrance fee deposits generally represent 10% of the total entrance fee for the unit selected. The deposit funds are applied against the total entrance fee upon occupancy or are refunded to the prospective residents if they decide not to move into the Organization.

**Deferred Revenue**

Nonrefundable entrance fees paid by residents pursuant to a continuing care contract are recorded as deferred revenue and amortized into operating revenue over the actuarially determined life expectancy of each resident or couple, adjusted annually. Upon death of a sole surviving resident, any remaining unamortized portion of the nonrefundable entrance fee is recognized as operating revenue.

Nonrefundable entrance fees are considered to contain a material right associated with access to future services, which is the related performance obligation.

**DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Obligation to Provide Future Services**

The Organization periodically calculates the present value of the net cost of future services and the use of facilities to be provided to current residents and compares that amount with the balance of deferred entry fee revenue. If the present value of the net cost of future services and the use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (obligation to provide future services and use of facilities) with the corresponding charge to income. The obligation is discounted at 5.0% based, in part, on the expected annual increases in monthly fees. This calculation did not result in a liability as of December 31, 2024 and 2023.

**Deferred Financing Costs**

Deferred financing costs represent expenses (e.g., underwriting, legal, consulting, and other costs) incurred in connection with issuance of debt and are deferred and amortized over the life of the related indebtedness on a straight-line basis, which approximates the effective interest method. The amortization expense on deferred financing costs is included in interest expense and totaled \$49,097 for each of the years ended December 31, 2024 and 2023.

**Bond Premium**

Bond premium is comprised of the difference between the price at which a bond was sold and its fair value. Bond premium is amortized on a straight-line basis into interest expense over the life of the bonds. The amortization on the bond premium included in interest expense was \$92,509 for each of the years ended December 31, 2024 and 2023, respectively.

**Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Include net assets available for use in general operations and not subject to donor restrictions. At times, the governing board can designate, from net assets without donor restrictions, net assets for a board-designated endowment or other purposes. At December 31, 2024 and 2023, the governing board has not made this designation.

*Net Assets With Donor Restrictions* – Include net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met with the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that, is, when the stipulated time has elapsed, when the stipulated purpose for which the resource has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Insurance**

The Organization maintains professional liability insurance on a claims made basis with no deductible and has coverage in excess of the \$100,000 required under state statute. No claims have been asserted against the Organization. If claims should be asserted arising from past services rendered, management believes that those claims would be settled within the limits of insurance coverage.

**Income Taxes**

CELCC and CF are exempt from federal and Maryland state income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, no provision for income taxes is required. The Organization follows the provisions of the income tax standard regarding the recognition and measurement of uncertain tax positions. The application of these provisions has no impact on the Organization's consolidated financial statements. The Organization's tax returns are subject to review and examination by federal and state authorities.

**Performance Indicator**

The statement of activities and changes in net assets (deficiency) includes the determination of income or loss from operations which includes the unrealized gains and losses on investments without donor restrictions and net asset transfers.

**Resident Services and Health Care Revenue**

Resident services revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing resident services and care. These amounts are due from residents. Generally, the Organization bills the residents monthly for services performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred. The Organization believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to residents in the facility receiving independent and assisted living services or residents receiving other services in the facility. The Organization measures the performance obligation from admission into the facility to the point when it is no longer required to provide services to that resident, which is generally at the time of the termination of the resident contract.

The Organization determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments and discounts provided to residents in accordance with the Organization's policy. The Organization determines its estimates of contractual adjustments and discounts based on contractual agreements, its policies, and historical experience. The Organization determines its estimate of implicit price concessions based on its historical collection experience. Substantially all of the Organization's revenue is from private pay and delivered based on the terms of the resident contract.

**NOTE 3 DEFERRED REVENUE, REFUNDABLE ENTRANCE FEES, AND DEPOSITS**

Resident entrance fees, which consist of a refundable and a nonrefundable portion, are paid in full, or through a promissory note from a partial closing, upon occupancy and represent the Organization's obligation to provide continuing care to the residents. Nonrefundable entrance fees are recognized as deferred revenue upon receipt. Refundable entrance fees are recorded as refundable entrance fee liabilities. Refunds of entrance fees for termination prior to occupancy are made within 30 days. For termination after occupancy, including death, any refund is deferred until (i) the unit has been vacated and (ii) the Organization has entered into a Residency Agreement for the same unit with a new resident who has accepted.

The Residency Agreement currently provides three refund options to residents:

- 90% Refundable entrance fee – 90% is fully refundable upon termination and the nonrefundable portion (remaining 10%) becomes nonrefundable at two percent per month over a period of five-months.
- 50% Refundable entrance fee – 50% is fully refundable upon termination and the nonrefundable portion (remaining 50%) becomes nonrefundable at two percent per month over a period of 25-months.
- Nonrefundable entrance fee – becomes nonrefundable at two percent per month over a period of 50-months.

The total contractual refundable amount of the Residency Agreements, which is different than the accounting principles generally accepted in the United States of America (U.S. GAAP) refundable entrance fee liability and deferred revenue from resident entrance fees on the consolidated statements of financial position, is \$30,662,081 and \$27,745,971 as of December 31, 2024 and 2023, respectively.

The nonrefundable portion of these fees is deferred upon occupancy and recognized as income on a straight-line basis over each individual resident's or joint residents' expected remaining lives. Remaining life expectancies are adjusted annually using actuarial decrements based on industry and Collington-specific information. In addition, entrance fees are earned on a joint and last survivor basis for persons occupying the same unit.

**NOTE 3 DEFERRED REVENUE, REFUNDABLE ENTRANCE FEES, AND DEPOSITS  
(CONTINUED)**

Upon termination of a contract through death or withdrawal from the Organization after occupancy, any unamortized nonrefundable deferred entrance fee is recorded as termination income, which is included in amortization of deferred entrance fees on the consolidated statements of operations and changes in net assets (deficiency). Termination income was \$495,828 and \$1,336,642 for the years ended December 31, 2024 and 2023, respectively.

**NOTE 4 INVESTMENTS AND ASSETS WHOSE USE IS LIMITED**

The Organization performs due diligence on the valuation of their investments. The Organization reviews its portfolio and evaluates whether declines in the fair value of securities should be considered other-than-temporary. Management considers in this evaluation factors such as general market conditions, the issuer's financial condition and near-term prospects, conditions in the issuer's industry, the recommendation of its investment advisors, and the length of time and extent to which the market value has been less than cost, and the ability and intent of the Organization to hold investments in the long-term.

For the years ended December 31, 2024 and 2023, management does not believe that the declines in the market value of investments are considered other-than-temporary.

**NOTE 5 LONG-TERM DEBT**

On May 1, 2017, the Organization entered into a loan agreement with Prince George's County, Maryland (the County) pursuant to which the County issued \$63,995,000 of Revenue Bonds, Collington Episcopal Life Care Community, Inc., Series 2017 (Series 2017 Bonds). The Series 2017 Bonds mature at varying annual amounts on April 1 between 2018 and 2047. Interest payments are due semiannually on April 1 and October 1, with rates ranging between 3% and 5.25%. The Series 2017 Bonds are secured by a first lien security interest in all present and future receipts, real estate, and personal property of the Organization.

**NOTE 8 RETIREMENT PLANS**

**403(b) Plan**

The Organization participates in the Kendal Corporation defined contribution plan (the Plan). The Plan contains an employer discretionary grant and/or match component for eligible employees. Eligible employees must have attained age 21, must complete one eligibility year of service and 1,000 hours of service, and work at least 1,000 hours each year to qualify for a match and/or grant. Pursuant to the terms of the Plan, employees are required to make contributions in order to benefit from the Plan only if the Organization makes a matching contribution.

**DECEMBER 31, 2024 AND 2023**

**NOTE 8 RETIREMENT PLANS (CONTINUED)**

**403(b) Plan (Continued)**

The Organization's grant or matching contribution is discretionary, and eligible employees must have completed 1,000 hours of service during the plan year. Employees are 50% vested in the employer contribution after one (1) year of service; 100% vested after two (2) years of service. All employees are eligible to make contributions to the Plan. The Organization calculated grant and matching contributions to the defined contribution plan of \$301,251 and \$269,319 for the years ended December 31, 2024 and 2023, respectively. These amounts have been accrued as of December 31, 2024 and 2023.

**NOTE 9 RELATED PARTY TRANSACTIONS**

The Organization entered into an affiliation agreement with The Kendal Corporation in June 2011, by the execution of an *Agreement Between The Kendal Corporation and its Affiliates: Mutual Expectations, System Services, and Financial Understandings*. The agreement calls for the Organization to pay The Kendal Corporation a "System Fee," and provides for certain performance requirements and values-based management and governance standards. A revised affiliation agreement was signed subsequent to year-end in January 2025.

The Organization is affiliated with The Kendal Corporation through bylaw requirements. The Kendal Corporation must approve the election of board members of the Organization and amendments to the articles of incorporation and specific sections of the bylaws of the Organization as well as the incurrence of debt of specified value, changes in corporate purpose; use of the name "Kendal," the substance of resident contracts; and the purchase, sale, lease, or other disposition of any real estate or improvements thereon of a specific value; and dissolution, merger with another entity, division, or acquiring control of another entity.

The System Fee incurred by the Organization for the years ended December 31, 2024 and 2023 was \$882,960 and \$1,030,704, respectively, under the terms of this agreement. The Organization has accounts payable to The Kendal Corporation of \$327,940 and \$234,375 as of December 31, 2024 and 2023, respectively.

The Organization bylaws also specify that the Organization and The Kendal Corporation shall have certain board members in common, and that the president of The Kendal Corporation, or his/her designee, shall be invited to attend the Organization's board meetings *ex officio*.

As of December 31, 2024 and 2023, CELCC has a note payable to CF (the CF Loan) in the amount of \$972,571. Interest expense for the years ended December 31, 2024 and 2023 was \$31,609. Accrued interest as of December 31, 2024 and 2023 was \$89,558 and \$57,949, respectively. The note payable of \$972,571 is due on December 31, 2027. The principal and interest amounts related to the CF Loan are eliminated for the purposes of consolidation.

**NOTE 10 FUNCTIONAL EXPENSES (CONTINUED)**

The Organization allocates functional expenses based on the ratio of square footage under roof between Program and Management. Program and Management areas of the Organization's campus are identified and the square footage is determined for each of these identified areas. The ratio between Program and Management is determined by comparing the specified square footage to the total under roof square footage. A percentage is allocated to the Program and Management functional areas and the expense line items are allocated based on this percentage. After the expenses are allocated, Collington reviews the Program and Management functional expenses and makes adjustments. 100% of Medical Supplies and Purchased Therapy Services are Program expenses. 100% of Administrative Expenses, Insurance, Provision for Credit Losses, and Interest Expense are Management expenses.

**NOTE 11 FAIR VALUE OF FINANCIAL INSTRUMENTS**

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. The Organization emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

*Level 1* – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

*Level 2* – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

*Level 3* – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

**Investments Measured at Fair Value**

Investments are recorded at fair value on a recurring basis. Fair value measurement is based upon quoted prices, if available. If quoted prices are not available, fair values are measured using independent pricing models or other model-based valuation techniques such as the present value of future cash flows, adjusted for the security's credit rating, prepayment assumptions, and other factors such as credit loss assumptions. Securities valued using Level 1 inputs include those traded on an active exchange, such as the New York Stock Exchange, as well as U.S. Treasury and other U.S. government and agency mortgage-backed securities that are traded by dealers or brokers in active over-the-counter markets. Securities valued using Level 2 inputs include private collateralized mortgage obligations, municipal bonds, and corporate debt securities.

Investments measured at fair value using net asset value per share include limited partnerships and are considered alternative investments. Alternative investments are those not listed on national exchanges or over-the-counter markets, or for which quoted market prices are not readily available. The Organization follows guidance related to the fair value measurement standard that was issued for estimating the fair value of investments in investment companies that have a calculated value of their capital account or Net Asset Value (NAV) in accordance with, or in a manner consistent with accounting principles generally accepted in the United States of America (U.S. GAAP).

**NOTE 11 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)**

**Investments Measured at Fair Value (Continued)**

As a practical expedient, the Organization is permitted under U.S. GAAP to estimate the fair value of an investment at the measurement date using reported net asset value (NAV) without further adjustment unless the entity expects to sell the investment at a value other than NAV or if NAV is not calculated in accordance with U.S. GAAP. The Linkage account which is shown as an investment valued using the net asset value per share in the table below has an unfunded capital commitment of \$159,375.

|     | Investment/Strategy           | Fair<br>Value | Unfunded<br>Commitments | Redemption<br>Notice Period |

(a) These funds are growth-oriented innovation funds, focused on technology, tech-enabled services and emerging care delivery models in the post-acute and aging markets. Across these verticals, the profile of companies in which the Fund will invest will typically have reached commercialization stage with a differentiated solution and are believed to feature prospects for growing revenue.

**NOTE 12 COMMITMENTS AND CONTINGENCIES**

**Litigation**

The Organization periodically finds itself a defendant in legal suits that have developed in the normal course of business. Although it is impossible to determine the ultimate resolution of matters that remain unresolved at this time, the Organization believes that the matters will be resolved without significant negative financial impact.

**Industry Regulation**

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Management of the Organization is not aware of any instances of noncompliance with current laws and regulations.

**NOTE 13 PAYCHECK PROTECTION PROGRAM LOAN**

On May 8, 2020, the Organization received a loan from Truist Bank, a North Carolina banking corporation, in the amount of \$2,469,000 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (the PPP Loan). On July 26, 2021, the Small Business Administration (SBA) formally forgave the Organization's obligation under this PPP Loan for \$2,469,000. The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Organization's consolidated financial statements.

**NOTE 14 EMPLOYEE RETENTION CREDIT**

The Employee Retention Credit (ERC) is a refundable tax credit against certain employment taxes equal to 50% of the qualified wages an eligible employer paid to employees after March 12, 2020, and before January 1, 2021. On December 27, 2020, the Consolidated Appropriations Act (CAA) was signed into law. Among other provisions, the CAA expanded the eligibility for ERC to include more entities as well as extending ERC into calendar year 2021 including the first, second and third calendar quarters. Furthermore, the refundable tax credit for the calendar year 2021 was expanded to 70% of the qualified wages. CAA provided these entities the ability to retroactively recover payroll taxes from earlier in 2020 during which they were previously ineligible. This is done by retroactively applying for the credit.

Employers, including tax-exempt organizations, are eligible for the credit if they operated a trade or business during calendar year 2020 and 2021 and experienced either the full or partial suspension of the operation of their trade or business during any calendar quarter due to a significant decline in gross receipts or because of governmental orders limiting commerce, travel or group meetings due to COVID-19. The credit applies to qualified wages (including certain health plan expenses) paid during this period or any calendar quarter in which eligibility requirements were met.

Grants from the government are recognized when all conditions of such grants are fulfilled or there is reasonable assurance that they will be fulfilled. During the year ended December 31, 2024, the Organization determined it met the compliance requirements and conditions of the Employee Retention Credit (ERC) program. The Organization recognized \$2,551,934 as Employee Retention Credit Grant Revenue on the consolidated statements of operations and changes in net assets (deficit) the year ended December 31, 2024. Accordingly, the Organization recognized a receivable in the amount of \$2,551,934 for the year ended December 31, 2024, which is included with other accounts receivable on the consolidated statements of financial position.

There is a possibility that upon subsequent review that the Internal Revenue Service could reach a different conclusion regarding the Organization's eligibility to retain the ERC credits received. That could result in repayment of the credits, interest, and potential penalties. The amount of liability, if any, from potential ineligibility cannot be determined with certainty.

**NOTE 15 SUBSEQUENT EVENTS**

On February 21, 2025, CELCC sent a Letter of Intent to request that Prince George's County, Maryland (the County) serve as conduit issuer for a taxable bond issue of up to \$7,500,000 for preliminary development costs in connection with an anticipated redevelopment and expansion project on the existing Collington campus. Collington has entered into a term sheet with Truist Bank whereas Truist Bank is expected to purchase the 2025 Bonds as part of a direct bond placement transaction. The proceeds of the 2025 Bonds will be loaned to Collington on a draw-down basis pursuant to a supplement to the 2017 Loan Agreement between the County and Collington. The 2025 Bonds will be issued on a parity level with the 2017 Bonds and will be equally secured by the revenues of the Borrower and the Deed of Trust. The bonds are expected to be issued in May 2025.
